## Cultural Heritage Program

<b>CLIENT</b>	Hydro Tasmania – Energy Business
<b>PROJECT LOCATION</b>	Hobart, Tasmania, Australia
<b>DATE OF PROJECT</b>	2003 - ongoing
<b>SERVICES PROVIDED</b>	<ul style="list-style-type: none"><li>• Project Management of the program, strategic advice on managing heritage assets, coordinating a network of heritage experts plus providing expert advice.</li></ul>

Hydro Tasmania Consulting has played a crucial role in supporting Hydro Tasmania's commitment to considering cultural heritage in the management of its assets. With ongoing assistance from Hydro Tasmania Consulting, Hydro Tasmania has:

- developed an inventory and heritage assessment of all heritage places (sites, buildings and movable cultural heritage) for all land owned and managed by Hydro Tasmania.
- co-ordinated a number of Conservation Management Plans for the sites of very high significance utilising a range of heritage expertise.
- created a training package for Hydro staff on both historic and Aboriginal heritage values and management.
- held workshops to identify and assess heritage values of Hydro places.
- developed cultural heritage procedures to guide maintenance, upgrade and management activities.
- initiated and managed an oral history project to ensure the social history value of Hydro Tasmania's assets is fully appreciated and communicated.
- undertaken a number of public activities including seminars and open days to promote Hydro Tasmania's rich history.

Hydro Tasmania Consulting's role has been to increase an understanding of Hydro Tasmania's heritage, develop and manage projects that illustrate the fascinating industrial and social history and to provide expert advice on heritage matters.
